

Wildlife Search & Rescue Training

Recommended training for ACO's, park rangers, game wardens, first responders.

This one-of-a-kind training course covers related laws and regulations, call-taking, human safety, capture strategies, animal handling and restraint, basic wildlife first aid, an introduction to reuniting and wild-fostering young wild animals, and a newly added section on wildlife conflicts.

This training is tailored for animal control officers, game wardens, park rangers, wildlife rehabilitators, and emergency first responders. It is also appropriate for anyone interested in learning how to safely and properly aid wild animals.
